

Is proud to team with AFLAC to offer your employees Cash Benefit Safety-Net Plans to protect their livelihood in case of a catastrophic health event.

## IMPORTANT EMPLOYEE MEMO

What if you or a family member is seriously injured or sick and you are off work without a paycheck?

Where would you obtain money to pay your monthly bills and left over medical expenses not covered by health insurance?

ANSWER....

AFLAC **pays cash benefits directly to you**, for medical treatments and services regardless of any other insurance, to spend for whatever you need to use it for.

### **Short Term Disability Income Protector**

Replaces your income when you become sick or injured and cannot work  
Covers off-the-job accidents and sickness, also pays for maternity  
Helps during first 6 months before Long Term Disability

### **Accident Plan**

Pays cash benefits if you or a family member has an injury

### **Sickness Plan**

Pays cash benefits if you or a family member has a serious illness

### **Cancer Plan**

Pays cash benefits ranging from \$2,500 to \$10,000 if you or a family member are diagnosed with an internal cancer, plus cash benefits for other services

### **Specified Health Event**

Plan 2 Pays \$5000 first occurrence cash benefit for heart attack, stroke, coronary artery by-pass surgery, coma, paralysis, end-stage renal failure, human organ transplant, major third-degree burns, plus other cash benefits
