

Get Control of Your Unemployment Compensation Costs!

CONTROL your unemployment insurance tax rate

PROTEST undeserved charges

FIGHT unwarranted claims

Do you...

- Know the most effective way to fight unwarranted claims?
- Have time to appear at compensation hearings and properly follow-up on all protests?
- Know the State computes your assigned unemployment insurance tax rate?
- Properly document misconduct cases and keep up with the changes in unemployment insurance regulation?

We can help you control your Unemployment Insurance costs through our partner Sedgwick CMS.

Sedgwick CMS will:

- Process your benefit claims, protest your unwarranted claims
- Represent you at unemployment hearings
- Audit and verify your benefit charges and tax rates
- Provide you with claim disposition through quarterly reports
- Provide phone consultations and conduct Unemployment Insurance Workshops

Please enroll our company in Precision Payroll's Unemployment Insurance Administrative Program with Sedgwick CMS.
